

Dear friends, who are trying to be the most powerful on planet Earth,

the one who is the most powerful - God - does not conceal his actions. Why are you doing this? Several official statements that no one could call misinformation have been deleted.

Bill Gates is sad that the virus itself, especially the Omicron variant, is actually a vaccine, that is. "It produces B- and T-cell-based immunity, and it can get through people more easily than we could with our vaccine." He said this in Berlin on February 18, 2022. But lawyer Reiner Fuellmich called these so-called vaccines deadly experimental injections on February 5, 2022. So let Bill Gates and Boris Johnson, Klaus Schwab, CEO's of the pharmaceutical companies that make these deadly experimental injections, and the head of the World Health Organization be prosecuted for genocide.

In a stunning 46-page legal filing to the International Criminal Court on December 6, an intrepid attorney and seven applicants accused Anthony Fauci, Peter Daszak, Melinda Gates, William Gates III, and twelve others of numerous violations of the Nuremberg Code. These included various crimes against humanity and war crimes as defined by the Rome Statutes, Articles 6, 7, 8, 15, 21, and 53.

Besides the four kingpins, twelve others were named, including the CEOs of the leading vaccine corporations and the health leaders held accountable for the United Kingdom.

- Albert Bourla, CEO of Pfizer
- Stephane Bancel, CEO of Moderna
- Pascal Soriot, CEO of Astra Zeneca
- Alex Gorsky, CEO of Johnson and Johnson
- Tedros Adhanhom Ghebreyesus, Director-General of the WHO
- Boris Johnson, UK Prime Minister
- Christopher Whitty, UK Chief Medical Adviser
- Matthew Hancock, former UK Secretary of State for Health and Social Care
- Sajid Javid, current UK Secretary of State for Health and Social Care
- June Raine, UK Chief Executive of Medicines and Healthcare products
- Dr. Rajiv Shah, President of the Rockefeller Foundation
- Klaus Schwab, President of the World Economic Forum

This is very important information about ID 2020. Let's compare a specific Similarity with what the WHO states – certainly not a coincidence.

„**No government, company or agency can solve this challenge alone.** Setting the future course of digital ID and navigating the associated risks is a challenge that requires **sustained collaboration and global partnership.**“<sup>5</sup>

WHO: Why an international pandemic instrument?

„The COVID-19 pandemic is a global challenge. **No single government or institution can address the threat of future pandemics alone.**“<sup>6</sup>

The claim, which is a lie, was confirmed by the BBC on February 2, 2022:

„The virus was given (deliberately) to 36 young, healthy and unvaccinated volunteers, at the Royal Free hospital, in London.“<sup>7</sup> This was approved by the ethics committee.

The following – source: also James Corbett:

Herman Gref (Sberbank's CEO; Davos World Economic Forum)<sup>8</sup> was in charge of basically setting up the initial money and setting up logistics to create a product called the Sputnik V. He then received an exclusive contract to transport the first about eight or nine million doses of these injections across Russia. Kirill Dmitriev (the Young Global Leader of the World Economic Forum, 2009) is another important figure.\* **Russia has adopted a coercive policy that has essentially forced Russians to choose between their livelihoods and their injections. This also applies to the possibility of studying at university. Russia has**

**introduced biometric cards for schoolchildren, where there must be a palmprint, a corneal scan. Totalitarian system of QR codes - restriction of personal freedom.** The Russian government does not have a Vaccine Adverse Event Reporting System (VAERS) that is in the United States. So if Vladimir Putin were to go to court, it should not be primarily for an attack on Ukraine, but for genocide against the Russian population. And certainly behind-the-scenes player Anatoly Tobias, who is behind Sputnik V too. If the CEO of Astra Zeneca, who produced Sputnik V in Russia, is tried for genocide (as I stated in connection with the United Kingdom), it must be equivalent. Anatoly Tobias is even Putin's special Ambassador for Climate Change - I will get to this topic (hereinafter: Climate Sunday).

By deleting his official statements, Klaus Schwab shows that everything is a lie.

Klaus Schwab said: „One of the most significant and exciting transformations caused by the pandemic was our transition to everything digital, in our professional and personal lives. That changed in a very short time, and technology was key in this way we managed the Covid-19 crisis collectively. This paradigm shift to digital has further highlighted the role of **cybersecurity** as our global public good. In the midst of the pandemic, even cybercriminals rushed to take advantage of increased vulnerability and increased use. The World Economic Forum recently published the Covid -19 Risk Outlook. The third biggest concern of the company that participated in the research is the increase in cyber attacks. We all know about this, but we still do not pay enough attention to the frightening scenario of a complex cyber attack that would lead to a complete cessation of electricity supplies, transport, hospital services, our society as a whole. The COVID-19 crisis would be regarded in this regard as a small disturbance compared to a large cyber attack. In such a situation, we must ask ourselves how we were able to do this, despite the fact that we had all the information about the possibility and severity of the risk of the attack.“<sup>9</sup>

DIENSTAGS 18. JANUAR 2021

<https://www.wochenblick.at/nachstromausfall-in-rumaenien-drohte-mega-blackout-fuer-europa/>

18. January 2021

### After a power failure in Romania, MEGA blackout threatened the whole of Europe

Almost unnoticed, Europe scratched past a momentous mega blackout again on Friday. Already a week earlier, there was a blackout risk for unexplained reasons. This time, a crack in the electricity grid was announced as the cause due to a disturbance in south-eastern Europe. Frightening: "Great Reset" author Klaus Schwab has already "warned" of a major attack on the European electricity supply and called such a scenario a "cyberpandemic".

Should the electricity grid come to a halt, we would be in a real horror scenario. Electricity, communication, water and food supply: Everything would come to a halt. The sewer system would pass due to the elimination of the pumping systems. Cars could not be refueled without electricity at the petrol stations' petrol stations and supermarkets would also have to keep their (electrical) doors closed, because without electricity they cannot access their cash register systems.

"We all know that the frightening scenario of a comprehensive cyber attack could completely bring power supply, transport, hospital services and our society as a whole to a halt. The COVID-19 crisis would be regarded in this regard as a small disturbance compared to a large cyber attack. Are they warnings or threats? With Schwab, you never know. In any case, according to the controversial WEF founder, we are no longer sure: "Without customization, previously safe systems and environments will become unsafe." Schwab analyzes: "The loss of power and control in a large region over a longer period of time would have serious consequences for companies, governments and societies in the broader sense."

The city of Trnava (Slovak Republic) was a test site for covid passports. The Czech Republic is now a testing ground for WHO implementation an international pandemic instrument. The Government of the Czech Republic even violated the Rules of Procedure of the Chamber of Deputies of the Parliament of the Czech Republic when approving the amended (expanded) version of the Pandemic Act. It declared a state of legislative emergency, which was criticized by the legally educated representatives of the upper chamber of the Parliament of the Czech Republic. The state of legislative emergency was a necessary lie for the Government of the Czech Republic. All this stands on lies.

What does the WHO want to build its next tool on? There are already enough warnings from experts: pathologists, lawyers and others. Keep your lies and don't bother humanity. Reiner Fuellmich has already warned against a global joint government, one digital currency, depopulation, etc.

It is demonstrable that human rights restrictions have been worked on systematically for a long time.

On March 26, 1991, the United States Congress passed a resolution<sup>10</sup> referring to the Seven Noahide Laws, which is contrary to the United States Constitution, as it states:

„The First Amendment provides that Congress make no law respecting an establishment of religion or prohibiting its free exercise. It protects freedom of speech, the press, assembly, and the right to petition the Government for a redress of grievances.“<sup>11</sup>

This resolution is ready, even if it has not yet been launched. Politicians are counting on her.

„News: Noahide Law praised by President of European Union, USA and Australia“ (Monday, April 24, 2017)<sup>12</sup> This report is, in fact, a challenge that the United States should abandon its constitution. So what should other countries do? To leave their Constitutions voluntarily in the name of obedience to mandatory religious legislation. It is also being tested in several countries, such as Sunday Law in South Africa.<sup>13</sup> A modern (upcoming) religion called Climate Sunday<sup>14</sup>. In the Czech Republic, which did not ratify the agreement with the Vatican in 2002, the conclusion of trades on Sunday was tried - as a pretext for preventing the spread of the covid - 19 infection. How did it end up? Articles like: „Sunday's ban doesn't solve anything. People fill the stores on Saturday, traders say.“<sup>15</sup>

In text Noahide Law, the word God is even confused with G-D<sup>16</sup>. This is a very unusual explanation: „You've got one clue, but you missed the other. It has to do with your language. Call it ‚thing-fixation.‘ “ „The entire world has been reduced in our minds to a mass junkyard of thingy stuff. So even G - d gets defined as a thing ...“ Maybe some atheists will accept it. And on that basis, does anyone want to build ethics for the whole world?

It will be better if you open the Bible and know the one who said about himself:

>Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls.< (Matthew 11:29; King James version)

This is Jesus Christ, who was able to see through the traps:

>**Then went the Pharisees, and took counsel how they might entangle him in his talk.** And they sent out unto him their disciples with the Herodians, saying, Master, we know that thou art true, and teachest the way of God in truth, neither carest thou for any man: for thou regardest not the person of men. Tell us therefore, What thinkest thou? Is it lawful to give tribute unto

Caesar, or not? **But Jesus perceived their wickedness**, and said, Why tempt ye me, ye hypocrites? Shew me the tribute money. And they brought unto him a penny. And he saith unto them, Whose is this image and superscription? They say unto him, Caesar's. Then saith he unto them, Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's. **When they had heard these words, they marvelled, and left him, and went their way.**< (Matthew 22:15-22; King James version)

You also have some plans that have been reviewed, so follow the pattern, leave them, let all people live in peace.

The Pope should read the Bible properly - preferably in the original languages (Hebrew, Aramaic and Greek). The name Pope is the equivalent of the Holy Father, the so-called Deputy of Christ. Jesus Christ said: „But you are not to be called ‘Rabbi,’ for you have one Teacher, and you are all brothers. **And do not call anyone on earth ‘father,’** for you have one Father, and he is in heaven. Nor are you to be called instructors, for you have one Instructor, the Messiah. The greatest among you will be your servant. For those who exalt themselves will be humbled, and those who humble themselves will be exalted.“ (Matthew 23:8-12; King James version) Thus, Jesus Christ himself excludes the existence of the Pope. At the same time, each pope claims to be following in his position as apostle Peter. I will translate it directly from the Greek original:

ἀποκριθεὶς δὲ Σίμων Πέτρος εἶπεν· σὺ εἶ ὁ χριστὸς ὁ υἱὸς τοῦ θεοῦ τοῦ ζῶντος. Ἀποκριθεὶς δὲ ὁ Ἰησοῦς εἶπεν αὐτῷ· μακάριος εἶ, Σίμων Βαριωνᾶ, ὅτι σὰρξ καὶ αἷμα οὐκ ἀπεκάλυψέν σοι ἀλλ’ ὁ πατήρ μου ὁ ἐν τοῖς οὐρανοῖς. κἀγὼ δέ σοι λέγω ὅτι σὺ εἶ Πέτρος, καὶ ἐπὶ ταύτῃ τῇ πέτρᾳ οἰκοδομήσω μου τὴν ἐκκλησίαν καὶ πύλαι ᾄδου οὐ κατισχύσουσιν αὐτῆς. (Mathew 16,16-18, Greek; Nestle Aland 28)

In this original text there is even twice the term ἀποκριθεὶς, which is not translated in its original form by the Bible. English does not have a precise single word to express it, as Greek has - a passive participle of a 3rd person singular, to express that the answer was given from above.

When Simon Peter then received an answer, said: „You are the Christ, the Son of the living God.“ When Jesus then received an answer, said him: Blessed art thou, Simon, son of Jonah, for this flesh and blood not uncovered it, but **my Father which is in heaven**. And I'm telling you, you're Peter and **I will build the church on that rock**...

Jesus did give to Simon the name Peter (Πέτρος). Πέτρος is masculine in Greek. This rock gave an answer to Peter and also to Jesus, so Jesus can build a church on it. So Peter was to lean against the rock.

Where is it stated that God calls himself a rock?

Do not tremble, do not be afraid. Did I not proclaim this and foretell it long ago? You are my witnesses. Is there any God besides me? **No, there is no other Rock; I know not one.**” (Isaiah 44:8; King James version)

So no one should be surprised that the Slovak political representation came up with a proposal to ban the Bible. (This is the second attempt in Slovakia, the first took place in 2018). Anyone who reads the Bible will also realize that the European Parliament looks like the Tower of Babel.

Even many of his actions are comparable to those described in Genesis 11.

> 1And the whole earth was of one language, and of one speech. ... 4And they said, Go to, let us build us a **city and a tower, whose top may reach unto heaven; and let us make us a name**, lest we be scattered abroad upon the face of the whole earth. ...6And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. 7Go to, let us go down, and there confound their language, that they may not understand one another's speech. 8So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city. 9Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth.< (Gn 11:1-9; King James Bible)

**Highlighted part: The perfect definition of the European Parliament in Brussels, wanting to have the name of God.**

So no one should be surprised that the Slovak political representation came up with a proposal to ban the Bible. (This is the second attempt in Slovakia, the first took place in 2018 „Is Danko seeking to ban the Bible in Slovakia? Or what's coming up! ... why Jews in Slovakia should be

more protected than Slovaks.“[October 19, 2018)]<sup>17,18</sup> Even these words, which are the last clue on the Internet, show a purposeful smoothing of reality. The European Union promotes LGBT, the Bible prevents it. Therefore, the attacks on Hungary, in whose constitution it is written:

The Constitution of the Republic of Poland contains a similar text:

There is no LGBTQI<sup>21</sup> + pedophile = LGBTQIP; then it will be easier to approve of bigamy with more little girls (due to Muslims). Foreign Policy Towards the third world.“ (Henry Kissinger, 1974). This thesis went even further - beyond the third world. Reduce the total population to approximately 500,000 people. (source: lawyer Reiner Fuellmich; February 5, 2022)

So who is to be tried for genocide, Vladimir Putin, who was provoked to attack Ukraine, or rather also the President of Ukraine, who is also one of the people removing important official documents?

When I wrote a letter to the Government of the Czech Republic on February 25, 2022, there was still a document in Ukrainian on the President of Ukraine's website:

DECREE OF THE PRESIDENT OF UKRAINE №117 / 2021 On the Decision of the National Security and Defense Council of Ukraine of 11 March 2021 "On the Strategy of Deoccupation and Reintegration of the Temporarily Occupied Territory of the Autonomous Republic of Crimea and the City of Sevastopol"

After some time I found out that the document is not on his website and I wrote it to the Slovak Minister of Health Vladimír Lengvarský, I found out that it is only on the website of the Verkhovna Rada of Ukraine.

I mentioned both in a letter to the President of the Czech Republic, Miloš Zeman, on March 8, 2022, now it's all back.<sup>23, 24</sup>

It can be seen that someone from the Czech or Slovak Republic is a good informer to the Ukrainian president, and that the situation is therefore not as presented by the media. This document probably doesn't have to be hidden necessarily.

February 19, 2022 - President Zelenskyj at a security conference in Munich declares that Ukraine is considering withdrawing from the Treaty on the Non-Proliferation of Nuclear Weapons; in other words, he is considering acquiring nuclear weapons. Against who?

I do not justify Vladimir Putin's decision, but on 19 February, the President of Ukraine made it clear that something was wrong, but not only in Russia.

What about the cyber attacks described by Klaus Schwab in the official (removed, yet, captured) article and video (removed, yet, captured)? Will the media report that Russia has caused cyber attacks? Tedros and his team disguise it well, but that doesn't mean people are inattentive and inactive. Keep your global documentary for someone other than the people on planet Earth. If anyone cared about human health, it was Jesus Christ. You can read about it (Bible; for example: Matthew 8 and 9). We will not have the Bible banned, it is even mentioned in the Greek constitution. Even if the ban of the Bible was ordered by the pope as in 1199 Innocenc III. (today: solidarity with other religions?).

In this context, I can recall another deleted, albeit unofficial, article where President Biden has the Jesuit Bible he swore to is full of occultism. (removed, yet, captured)

**RIS Religion News Service** January 19, 2021

## Joe Biden's family Bible anchors faith-infused inaugural events

*Beyond the invocation and benediction at the inauguration itself, unofficial events will mostly be online and far different from the festivities of previous years.*

President-elect Joe Biden plans to be sworn in with his hefty family Bible when he becomes the 46th president of the United States on Wednesday (Jan. 20).

**It's one of many ways religion will be a facet of the inaugural activities surrounding the country's second Catholic president.**

**"it's just been a family heirloom on the Biden side of the family and every important date is in there,"** Biden [said](#) in a December appearance on "The Late Show with Stephen Colbert." **"Every time I've been sworn in for anything, the date has been on that and it's inscribed in the Bible."**

**Before the inaugural ceremony, the Rev. Kevin O'Brien, president of Santa Clara University and a Jesuit priest, will officiate a Mass Biden will be attending with a bipartisan delegation Wednesday morning at the Cathedral of St. Matthew.**

Beyond the invocation and benediction at the inauguration itself, and a virtual inaugural prayer service Thursday at the Washington National Cathedral, unofficial events will mostly be online and far different from the festivities of previous years.

Those deleted articles are too much for people to trust their governments and even the WORLD HEALTH ORGANIZATION.

By the way, the current representative of the city-state of the Vatican wrote:

„Certainly, all this calls for an alternative way of thinking. Without an attempt to enter into that way of thinking, what I am saying here will sound wildly unrealistic. On the other hand, if we accept the great principle that there are rights born of our inalienable human dignity, we can rise to the challenge of envisaging a new humanity. We can aspire to a world that provides land, housing and work for all. This is the true path of peace, not the senseless and myopic strategy of sowing fear and mistrust in the face of outside threats. For a real and lasting peace will only be possible ,on the basis of **a global ethic of solidarity** and cooperation in the service of a future shaped by interdependence and shared responsibility in the whole human family.”<sup>25</sup>

Mario Bergoglio SJ does not publicly declare himself to the Apostle Peter, but to global ideology in his encyclical Fratelli tutti( paragraph 127 cited). Reiner Fuellmich warns against this, so that the UN has global domination. Mario Bergoglio SJ publicly supported the administration of injections called covid -19 vaccines. **He should consider why he supported genocide.**<sup>26</sup>

This photo and text on twitter (November 9, 2021) is also striking. Perhaps it clarifies the effort to prohibition the Bible:

**A guardian for international peace and security** sits on the Visitor's Plaza outside #UN Headquarters. The guardian is a fusion of jaguar and **eagle** and donated by the Government of Oaxaca, Mexico @MexOnu. It is created by artists Jacobo and Maria Angeles. UN Photo/Manuel Elías.

Daniel spake and said, I saw in my vision by night, and, behold, the four winds of the heaven strove upon the great sea. And four great beasts came up from the sea, diverse one from another. The first was like a lion, and had **eagle's wings**: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and **a man's heart was given to it.** (Bible; Daniel 7:2-4; King James version)

I beheld, and the same **horn** made war with the saints, and prevailed against them; Until the Ancient of days came, and judgment was given to the saints of the most High; and the time came that the saints possessed the kingdom... And he shall speak great words against the most High, and shall wear out the saints of the most High, and **think to change times and laws**: and they shall be given into his hand until a time and times and the dividing of time. (Bible; Daniel 7:21-22.25; King James version)

**The horn** is the representative of the Vatican, respectively, the entire papal system. This is the climate Sunday. Under the guise of climate, the world is subtly tended to make everyone (including Jews) accept Sunday as a religious day. The prohibition of the Bible may lead to people not being allowed to read what the Lord God has said:

>And he said unto them, This is that which the LORD hath said, To morrow is the rest of **the holy sabbath unto the LORD**: bake that which ye will bake to day, and see the that ye will see the; and that which remaineth over lay up for you to be kept until the morning.<  
(Bible;Exodus 16:23; King James version)

Even in the past, translations of the original texts have been tendentiously modified:

For the Son of man is Lord even of the sabbath day. (Mathew 12:8; King James version)

Here is the original Greek text of Matthew 12: 8 and a literal English translation:

κύριος γάρ ἐστὶν τοῦ σαββάτου ὁ υἱὸς τοῦ ἀνθρώπου.

For the Son of man is Lord of the sabbath day.

How is it different? In a single clutch (even), which was delivered purposefully in the past. Today, the Bible have it worldwide, and those who do not know New Testament Greek are deceived. The Roman Catholic Church, or more precisely the papacy, had wanted to establish Sunday for centuries. It's more about Sunday than God, so why not nod to global cooperation when it's appropriate.

The removal of the German information article is untrustworthy:

Why legal grounding free Sunday? (Why are politicians in Slovakia trying for the second time to ban the Bible?)

## Time to heal wounds in the United States

The United States is still shaken by what happened on 6 January during the assault on Capitol Hill, which resulted in the death of 5 people...

It is, therefore, no coincidence that the theme chosen by the new president, Joe Biden, for his swearing-in ceremony is "America United". This need for national unity is widely felt across the board by Americans, many of whom are aware that only united will it be possible to face the pandemic and the serious economic crises which have ensued.

Significantly, in a message sent yesterday - Martin Luther King Day - he urged Americans to "return" to the African-American leader's dream. The United States needs to realize that unfulfilled dream of "harmony and equality." A dream that "always remains relevant" and indeed becomes even more urgent in a country where, despite the great economic opportunities, there remain injustices and social conflicts that have also now been exacerbated by the pandemic. This is, therefore, the time to let "us" prevail over "me", to heal wounds and find a renewed unity based on those principles that have always sustained American democracy and made of it a protagonist on the international scene.

This awareness must not just remain an utterance but - quoting Fratelli tutti, - requires a concrete effort at all levels. It requires a commitment not only from political leaders, but from all the people, and their movements, to promote the common good and strengthen democracy. This is even more true today, in a historical period in which, despite centrifugal forces and nationalistic interests, the pandemic has dramatically shown that "no one is saved alone".

After all, it is a matter of global cooperation Mainly that the photograph of the Jesuit Bible (Joe Biden) and materials of Klaus Schwab has disappeared - it was more important for all liars.
